Dear Arthur,

For years I have been plagued with gutter problems due to faulty installations and shoddy workmanship.

I'm happy to say that your recent installation of gutters at my home is outstanding. Your advice on how to handle the water, what gutters to use and where to place them has completely solved my water problems.

In addition, you completed the job ahead of schedule and your installer was outstanding. I would be happy to recommend your company to any future customers.

With kindest regards,
